FOREWORD

WE STEER OUR COURSES LIKE SHIPS despite the height of the waves and the depth of the sea. The seemingly short voyage of our high school years is but a brief glimpse of the unpredictable sea of the future. Some of us have but begun to chart the seas; others have long known the roll of the waves. It is our hope that we have been able to log faithfully the passage of a gallant crew and that they will be prepared for both the tranquility and the tempest of the open ocean.

R. Blodgett

DEDICATION

MR. RAYMOND L. BLODGETT is responsible for the expert maintenance of the entire school district in addition to being a well-liked, admired, and active member of this community.

HE HAS UNSELFISHLY DEVOTED much time and effort assisting in Student Body activities. Mr. Blodgett is always ready and willing to help each and every student with a cheery smile and encouraging word for all.

FOR HIS YEARS OF UNFAILING SERVICE to the Student Body of Lake Oswego high school and his sincere interest in the welfare of the students and the school, it is our privilege to dedicate this 1957 Lakers' Log to Mr. Raymond L. Blodgett.

MR. HAROLD SANTEE
Superintendent

MR. LAWRENCE FISH
Assistant Superintendent

Seated: Mr. John Emery, Dr. George Lyman, Mr. Fred Torp, Mr. Lovett Smith. Absent: Mr. John Petersen.

SCHOOL BOARD

LAKE OSWEGO's school board once again guided the educational program of this district and made plans for the expected enrollment increase next year.

6 UNDER THE ABLE leadership of chairman Fred

Torp, the board first planned and then revised the budget for 1956-57. It handled capably the problems of increasing taxes and increasing population. THIS YEAR saw the junior high school completed and plans were made for the addition of another wing and a gym to that building.

Standing: Mrs. Carl Edstrom, Mrs. Hartwell Whitney, Mrs. Benjamin Harbinsky, Mr. William Chinn. Seated: Mrs. Duane Duke, Mrs. Swanston Krebs, Mrs. Carroll Burdick.

P. T. A.

OSWEGO HIGH'S P.T.A. had an outstanding year this year from the standpoint of both teachers and parents. The meetings were expertly planned and executed and well attended by parents in the community.

A NEW SYSTEM WAS ORIGINATED this year, whereby

after a brief general meeting, the group divided according to classes. Each group of parents and teachers then discussed various problems pertaining to that grade level. It was felt by most of the participants in this plan that it was quite successful and should be continued next year.

Seated: Mr. August Turchi, Mr. Harry Lovett, Mr. William Wyly, acting secretary. Absent: Mr. Gene Ryder, Mr. George Dickey.

DADS' CLUB

WITH MR. HARRY LOVETT as president, the Lakers' Dads once again proved to be an invaluable aid to the school by performing many worthwhile services. THE ANNUAL SCHOLARSHIP DANCE was held at the Country Club and as usual, the proceeds went

towards scholarships for L. O. H. S. students.

A SPORTS NITE, complete with trampoline acts, boxing matches, and tumbling, drew a large crowd from the community and provided money to be used for the school.

Mar Faura,
 I'm really
 glad that we got
 to know each other
 better this year, I think
 you are a wonderful

SPECIAL SERVICES LEND A GUIDING HAND

MR. JAMES BROAD
Assistant to the principal

MR. RICHARD PIZZO
Director of student affairs

TO AID WITH HIS MANY ADMINISTRATIVE RESPONSIBILITIES as he guides the helm, Mr. Collins counts on the able assistance of Mr. Broad, Mr. Pizzo, and Miss Barbey.

ALTHOUGH EACH SCHOOL DAY IS A BUSY ONE FOR MR. BROAD, the spring holds countless added responsibilities. Scheduling is never an easy job, but the promised increase in the Student Body roster demands an iron-clad schedule and careful placement of each student. Through his understanding of school management and the problems of high school students, he has contributed much to the successful operation of the school. As a result of the new attendance system employed this year, Mr. Broad reports that school attendance is better than ever.

A MAN EVERY STUDENT KNOWS IS MR. PIZZO. He has done a superior job as advisor to the Student Senate and

Student Cabinet. Among his many duties, the responsibility of scheduling the many student activities rest on the shoulders of Mr. Pizzo.

TO ALL THE SENIORS, the most important person in the office is Miss Barbey, who among many other things has charge of post-graduation information. Each senior has the opportunity to look into her crystal ball and make plans to be "butchers or bakers or candlestick makers." Already openings in a variety of business and professional fields have been filled by L.O.H.S. students who have benefitted from our counseling program.

IN THE AREAS OF SPECIAL SERVICES we offer a special word of thanks to Mrs. Clark and Mr. English, who are contributing greatly to the individual students and to the well-being of the entire school.

MRS. JEAN CLARK
Counselor in corrective reading

MISS FRANCES BARBEY
Coordinator of Counselors

THESE ARE OUR INSTRUCTORS...

THE FOREIGN LANGUAGE DEPARTMENT offers courses in the study of Latin, French, and Spanish. The history, literature, and general culture of the people is examined as well as the technical aspects of the language itself. Understanding the way of life and the problems of the peoples whose language we wish to speak is the ultimate aim of the Foreign Language Department.

EVERY YEAR AT CHRISTMAS TIME the halls of Lake Oswego High School ring with the tunes of our familiar Christmas Carols, sung in Latin, French, or Spanish. Mrs. West's first period Latin class heralded Christmas with the singing of *Adesti Fideles*. The second period was serenaded by Mrs. Brown's French class, while Mrs. Mullin's lively Spanish singers were heard during third

period. On the same day the Foreign Language Department had its Christmas party.

A TRADITIONAL EVENT carried on in our high school is the Latin dinner. This is the biggest event of the year for all Latin students. This is the time when they dress in the togas of ancient Rome. The students reclined *a la Rome* and partook of a fine Roman-type dinner.

A WEALTH OF EXPERIENCE is shared when the different language classes put on plays for one another in the tongue they are learning to speak. These plays are usually written by the students themselves and are first given in English and then the foreign language. Students of foreign languages have learned the education is a broadening experience and the sharing of culture of many people.

IN KEEPING WITH THE NATIONAL TREND which is experiencing a growing need for trained scientists and technicians, the Science Department of L.O.H.S. is striving to improve its curriculum. At the end of five years we can boast a superior science and mathematics program which offers courses in general science, physical science, biology, chemistry, physics, and natural history. At Lake Oswego we have two distinct courses of study in mathematics. One is planned for the student who aims to continue his study of science at college, and the other is geared for the student who plans to go to work upon graduation or hopes to follow a business course in college rather than one of a scientific nature. The mathematics courses we offer include algebra 1-2, algebra 3-4, geometry (plane and solid), general mathematics, consumers' mathematics and advanced unified mathematics.

AT LAKE OSWEGO HIGH SCHOOL we boast of two clubs dedicated to the advancement of scientific interest. They are the Amateur Radio Club and Bi-Phi-Chem. The radio club has a working radio station in the gym of our school (W7WGX). Club members have made contacts with various points throughout the world. About half of the members already have their F.C.C. licenses.

BI-PHI-CHEM's OBJECTIVES are to increase its members' interest in science; to perfect their skill in science; to understand the importance of science in our every-day life; and to be of service to the school and community. Undoubtedly Lake Oswego High School is doing its part to answer the nation's needs for trained scientists and technicians.

WHO HAD TIME FOR OUR NUMEROUS PROBLEMS...

THE SOCIAL STUDIES AND LANGUAGE ARTS DEPARTMENTS of Lake Oswego high school list several general objectives which include the development of skills, concepts, values, original or analytical thinking, linguistic abilities, and "an awareness of the values of life which are required by the fully mature human being." Besides the four-year requirement in English, courses in journalism are offered. The student may gain practical experience in journalism by helping with the publication of *Lakeviews* and the *Lakers' Log*. English skills find another avenue for development in the areas of speech and drama. The students learn the basic techniques of

acting, voice and diction, and the elements of how to talk before groups of people.

SOCIAL STUDIES OFFERS a valuable and practical challenge for all students with such courses as world geography, world history, United States history, and American problems. A special course offering in the department is psychology which is designed "to promote good mental health by learning to understand the principles of good adjustment to the problems of every-day life." Students showing exceptional interest in the fields of language arts and social studies have an opportunity to do extra work in this field in the advanced program.

MR. MARVIN LIESKE, Instructor in 9th Grade Core; Head of the Language and Arts Department; Junior Class Advisor

MR. CECIL MATSON, Instructor in Drama, Speech, and Radio.

MR. JAMES MULLINS, Instructor in Biology.

MRS. MARIE MULLINS, Instructor in Spanish; Head of the Foreign Language Department; Junior Class Advisor.

MISS SCHOLASTICA MURTY, Instructor in English and Social Studies; Girls' League Advisor.

MR. DUANE OLANIE, Instructor in Band and Choir.

MRS. EVELYN PERKINS, Instructor in Homemaking; Sophomore Class Counselor.

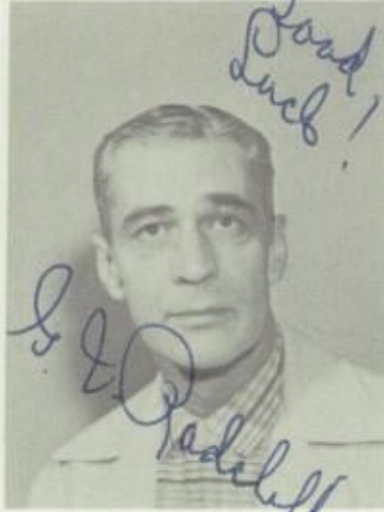

MR. DICK PIZZO, Instructor in Leadership and General Math; Head of Student Affairs; Senior Class Advisor.

AND MANY STUDENT ACTIVITIES, TOO.

MISS DORIS POPPLE, Instructor in Physical Education; Niki Advisor.

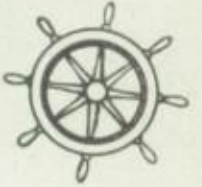

MR. GEORGE RADCLIFFE, Instructor in Shop; Senior and Junior Class Counselor.

MR. WARREN SCHUE, Instructor in Bookkeeping and Business Training; Junior Varsity Basketball and Baseball Coach.

MRS. SUSAN STONER, Instructor in English and Journalism; Laker's Log Advisor; Junior Class Counselor.

MISS VERLA THOMPSON, Instructor in Shorthand and Typing; F.B.L.A. Advisor.

MRS. MEGAN WALTH, Instructor in Social Studies and English; Girls' League Advisor; Freshmen Class Counselor.

MRS. DORTHY WEST, Instructor in Latin and English; Lake Views Advisor.

*Best Wishes
to a very fine
student & person!
May you succeed
in whatever you
may do! Miss J.*

Activities and experiences are provided in the physical education program which will develop physical fitness and efficient body mechanics; which will bring about basic skills and knowledge of popular American sports; and which will provide leisure time activities in later life. Emphasis is also placed upon good sportsmanship, emotional control, and good health practice.

Health instruction is aimed toward the acquisition of knowledge of the body and how it functions and towards the development of the best possible attitudes and practices in maintaining good health.

The main objectives of the Industrial Arts Department are to help the students learn, understand, appreciate and care for their tools and to use them effectively. Students learn the fundamental principles of drafting and design for both architectural and engineering projects in the mechanical drawing classes.

A course designed to help every girl is homemaking. Students learn how to cook, sew, buy food wisely, and plan meals economically. Along with this home economics course, classes are planned to teach the future homemakers the art of caring for the family clothes.

EFFICIENT PERSONNEL...

Mrs. Evelyn Alford, Mrs. Shirley Bamberg.

WITH THE WONDERFUL ASSISTANCE OF OUR TWO OFFICE SECRETARIES, L.O.H.S. is kept in exceptional running order. Typing the announcements, recording attendance, arranging conferences, and answering the many questions of the students are but a few of the many duties of Mrs. Bamberg, Mrs. Alford, and the student secretaries. To them the students owe their sincere gratitude for their fine work.

Tantalizing aromas once again floated through the halls of L.O.H.S. as the cafeteria staff prepared tasty meals for hungry Lakers.

Lakers were treated to a variety of meals during the year as a result of careful planning on the part of the cooks.

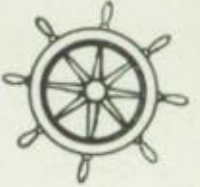

Standing: Mrs. Mabel Sloan, Mrs. Zelma Ankersmit, Mrs. Mabel Stone. Seated: Mrs. Margaret Helstorn.

KEPT OUR SCHOOL RUNNING SMOOTHLY

"Keep our school in tip-top shape" was the motto of this year's janitorial staff. Under the able leadership of Raymond Blodgett, custodian, the janitorial staff kept the school functioning in excellent order.

*Standing: Mr. Loran Walker, Mr. Joe DeCent, Mr. Louis Pieper.
Seated: Mr. Raymond Blodgett.*

Standing: Mr. Loran Walker, Mr. Raymond Larsen, Mr. Frank Sylvester. Seated: Mr. Roy Saylor.

IT IS DUE TO THE WONDERFUL COOPERATION AND WORK of the L.O.H.S. bus drivers that the students are transported both to and from school. Aside from driving the buses they are responsible for the safety of every student who rides a bus and the maintenance of the buses. They render an excellent service to our school.

SENIOR CLASS

DURING THE SECOND SEMESTER of the school year all efforts of the Senior class were centered around graduation preparations. This, however, did not stop their interest in other school activities.

THE WINTER TERM saw the Senior class sponsoring the Christmas formal, the annual Senior class dinner, and an after-game dance; and joining Wilson high school's Senior class for a "Get Acquainted" party. With the coming of spring the Seniors became reacquainted during an all-class party and went on their "Skip Day." Before departing the Seniors gave to L. O. H. S. a gift which will be cherished as a remembrance of them.

JUNIOR CLASS

POPS AND BANGS — FROM BALLOONS — were heard over all of L. O. H. S. when the Junior class held their first of many sales of the year. The Class of '58 celebrated the Christmas season with an after-game dance, "Candy Cane Capers." This was closely followed by a skit to promote stronger school spirit in a pep assembly. Most noticeable of the events of the second semester were the Junior-sponsored Junior-Senior Prom which was preceded by a display in the display advertising the coming dance, and the selection of the class jewelry. Closing the exciting year for this class was their all-class party.

SOPHOMORE CLASS

LOYALTY AND SUCCESS were the key notes in the program of activities of the Class of '59.

LOYALTY WAS SHOWN in the tremendous support given the sports teams at pep rallies, games and by the wonderful enthusiasm with which the Sophomores entered upon projects, such as the competitive May Fete entertainment and the skits for pep assemblies.

SUCCESS CAME from the two enjoyable dances, "Welcome Back" and "Crazy Calypso" which this class sponsored and the numerous sales which dotted the calendar.

FRESHMAN CLASS

DANCES, SALES, A MAGAZINE DRIVE, the initiation of a savings bond program, and participation in the "Clean-up Campaign" comprised the activities of the 1956-57 Freshman class.

THE YEAR OPENED with the extremely successful two-week magazine drive. A candy cane sale, the after-game dance "Snow Frolic," and a Valentine's day sale completed their varied winter activities. To close their busy year, in May the Freshman class sponsored a welcome dance given in the honor of the incoming ninth grade.

Birgit Pedersen from Copenhagen, Denmark.

BIRGIT PEDERSEN AND AASE JACOBSEN are the two students who are representing their foreign homes and the American Field Service Exchange Student Program in our school during this 1956-57 school year.

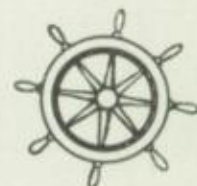

THE GIRLS WERE CHOSEN by a selected board from a group of six other candidates who had qualified in their academic achievements and their social flexibility in their respective countries. L. O. H. S. is very proud of its privilege of participating in this program.

Freshmen catalogue magazines during their drive.

Sophomores won the pep assembly contest with this skit.

STUDENT BODY OFFICERS

LAKE OSWEGO'S CABINET is the executive branch of the Student Body. The main activity of this year's Cabinet was the framing of a new Constitution and the setting up of By-Laws for the Student Body. They were approved in the Student Body elections of April 11, 1957. Also the Cabinet attended a summer workshop of Oregon student councils at Oregon State College.

THIS YEAR'S CABINET was the first to have the Cabinet class, which proved very helpful in getting Student Body work done.

The Constitution and By-Laws have passed!

This is working?

Standing: D. Burdick, S. Krebs, G. Thye, A. Gagnon, L. Fogdall, Röhlf, A. Emrich, D. Carlson, P. Lyman, D. Patterson, A. Southwell,

S. B. COMMITTEE CHAIRMEN

COMMITTEE CHAIRMEN WORK with the Student Body officers in organizing the various activities and services of the school. The purposes of the committees are to plan activities and assemblies, to assign sales to clubs and organizations, to plan and supervise Student Body Elections and elections for special events, to evaluate school functions and various other activities of the Student Body to determine their success, to raise money to finance American Field Service students, to arrange for displays to be put into the front hall display case, and to propose traffic regulations for the campus which are approved by the Senate.

LAKE VIEWS

ALTHOUGH STAFF MEMBERS lived two weeks at a time during the year, all feel that they would never trade their experience on the paper for leisure or for any other type of work.

THEIR WORK PAID OFF with great dividends when the National Scholastic Press Association awarded the LakeViews paper a first-class rating.

REPRESENTATIVES WERE SENT to the Pacific Slope Press Conference at the University of Washington. The meeting was a great success and many ideas were incorporated into the paper.

LAKERS' LOG

EVER SINCE THE formation of the Annual Staff at the beginning of the second quarter, the staff has moved steadily toward its goal of publishing a better annual. IT WAS THE AIM of the staff this year to produce an annual with a great deal of reader appeal.

WE ALSO HOPE that the annual will serve as a guide to the future as well as a key to the past, because it is only by studying the past that we are able to plan for the future.

We just can't keep it within the budget.

What do you think of this idea.

LIBRARY STAFF

STUDENT LIBRARIANS UNDER THE GUIDANCE OF MRS. ALMA DICKIE were responsible for the library this year. The girls learned cataloging, filing, shelving, and other related duties along with leadership training. Credit is given for the class and no studying is allowed. It is a good course for pre-vocational training and the girls have found that because of their experience they have been able to get good jobs in college libraries as well as other libraries.

STUDENT GOVERNMENT WEEK

Juniors present winning skit.

STUDENT GOVERNMENT WEEK swung into full gear on Monday with school spirit day during which each student wore purple and white. On Tuesday much learning was accomplished as the students took over the classes. Spring was bursting out all over by Thursday when everyone wore cotton and cords. Friday was the day that the L.O.H.S. student body had anxiously been awaiting, the announcement of the 1957 May Queen. The week provided many thrills for the Lakers.

THE L. O. H. S. DRAMATISTS PRESENTED the play "Jenny Kissed Me," directed by Cecil Matson, in the high school cafeteria on Nov. 16, 1956. The play got under way when Jenny arrived at the rectory to live with her aunt, Mrs. Deazy, who was Father Monyihan's housekeeper. During the production Mrs. Deazy, with the help of the students, gave Father Monyihan a different point of view on the education of a teen-age girl. The climax of the plot occurred when Jenny fell in love with 34-year-old Michael Saunders. Michael, however, thought she wasn't "hep" until he discovered he had fallen in love with her also.

Father Monyihan gave a different point of view

ONE OF THE MOST EXCITING AND THRILLING PLAYS this school has ever seen, "Double Door," was presented April 26 in the L.O.H.S. cafeteria.

SHARON BRUCK PORTRAYED a domineering woman who was determined to come between her half-brother Rip and his wife. The plot held the audience spellbound as Victoria Van Bret tried everything within her power to break up the romance. The ending was happy, however, and Victoria received her just reward. The play was under the direction of Cecil Matson, drama instructor.

ASSEMBLIES

ASSEMBLIES THIS YEAR provided many enjoyable moments for the student body. An invocation and the faculty and senior privilege of leaving first, were improvements made over last year's program.

AMONG THE VARIOUS TYPES OF ASSEMBLIES pre-

sented were the pep assemblies held every Friday afternoon before games. During the basketball season each class presented a skit on school spirit. Also included during the year were exchange assemblies with other schools, dramatic, language, and benefit assemblies.

86 Pep assemblies promoted school spirit.

VARSITY FOOTBALL SQUAD

THE AGGREGATION of 1956 varsity team, under the able instruction of Coach Cliff Giffin, displayed fire and zest that is typical of all Laker grid teams.

COACH GIFFIN entered his fighting Lakers for the first time into the Tualatin-Yamhill Valley League action and put on an exciting show. The grid tangles were rough and resulted in some close losses for the Lakers.

ENGAGING THE VARSITY ELEVENS of Molalla, West Linn, Newberg, Oregon City, McMinnville, Forest Grove, Tigard, St. Helens, and Wilson, resulted in four losses for the Lakers. In the initial game of the season played at home, the Lakers took on Molalla and won a thrilling contest with the final score 22 to 0. The strong Lions from West Linn were convinced of the power of the Lakers when they eked out a hard-earned 6 to 0 victory on the Lions' home field.

McMINNVILLE was the scene of another interesting tussle in which the Lakers lost 24 to 12 to the Grizzlies. The following week the Lakers took revenge out on Forest Grove, deep in a sea of mud, to win 26 to 13 on our home field.

THIS DETERMINED BAND of grid warriors proved undaunted in all departments. Much power was displayed in the line, bolstered by such able grid artists as Miller, Bowser, Burke, Laws, Davis, DeChaine, Altick, Goodell, Gregg, Spencer, and Adams, and the opponents found the line very hard to penetrate. The backfield, composed of Coats, Betty, James, McCarthy, and Hedges always provided the fans with an abundance of color in numerous long-end runs and thrilling passes.

IN THE FOURTH QUARTER the Lakers got their second and final touchdown when Coats again hit Adams on a 57-yard pass to the one-yard line. Coats charged to the end zone for the final score leaving the victory to McMinnville at a score of 24 to 12.

LAKERS VS. GRIZZLIES

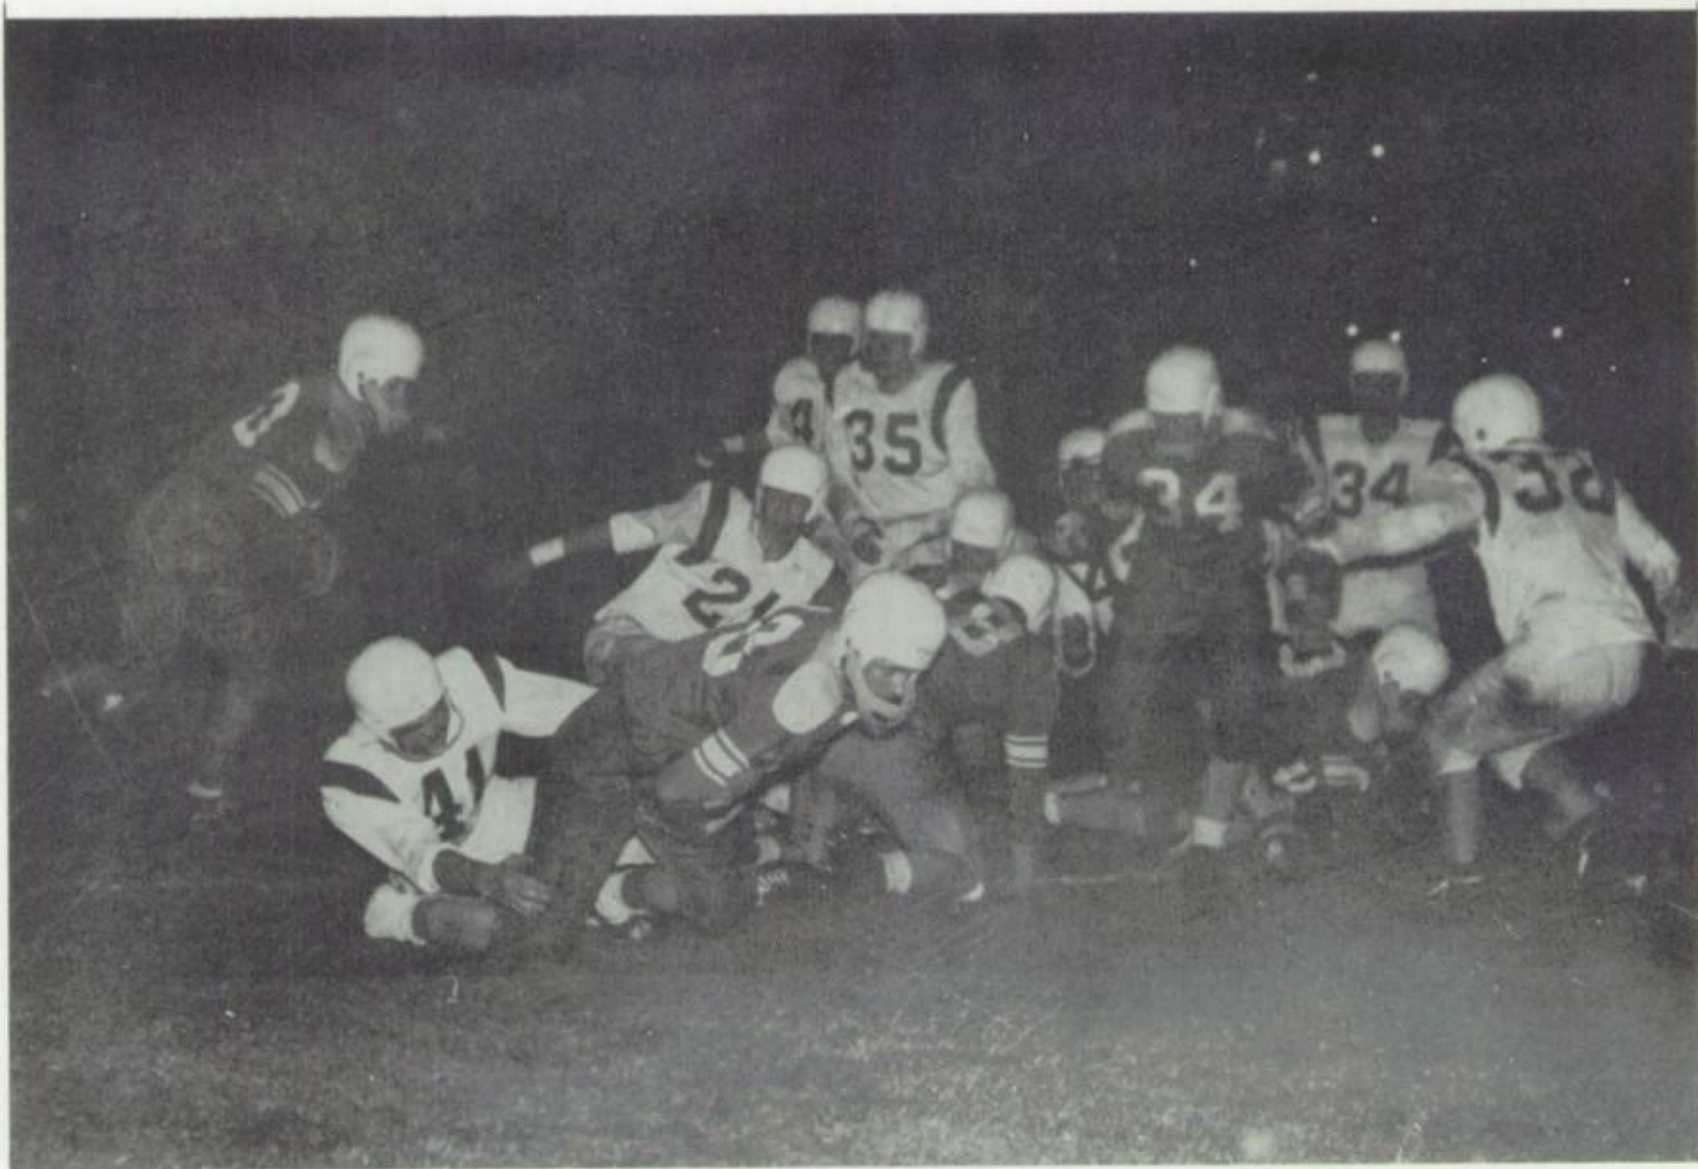

LAKERS went down fighting on Friday night, October 12, at the Grizzlies' home field in McMinnville.

BOTH TEAMS played on an even keel until halfway through the second period when Grizzly halfback Larry Peterson raced 78 yards for a McMinnville touchdown. The kick was blocked so the host Grizzlies held a slim six-point lead.

WITH SECONDS TO GO in the half the Grizzlies' other halfback, Jack Temple, shook loose and went 71 yards for six points.

LAKERS took the second-half kickoff and marched straight to a first down on the Grizzly four-yard line. A 48-yard pass play, Coats to Burke, and a 12-yard line smash by Tom Betty put the ball in scoring position. Coats shot a flat pass intended for George Adams on the one, but McMinnville's Peterson came out of nowhere to intercept the ball and traveled 99 yards to a touchdown.

A THIRD SCORE was made by the Grizzlies' Temple as he twisted and turned his way for a 72-yard touchdown.

IMMEDIATELY FOLLOWING THIS, the Lakers racked up their first score. A terrific 52-yard pass, Coats to Adams, brought the ball down to the 18-yard line. Dave James smashed to the six, and Coats to the one. From there Tom Betty dove into the end zone to give the Lakers six points.

LAKERS vs. ST. HELENS

THE PURPLE AND WHITE GRIDERS of Coach Cliff Giffin ended their first campaign in the T.Y.V. League by dropping a 21-0 decision to the invading St. Helens Lions. The loss put the Lakers in a tie for fifth place in the league.

NEITHER TEAM was able to start a drive until the start of the second period when the Lions first cracked the end zone.

ST. HELENS KICKED OFF to Oswego and immediately took possession of the ball when a Laker fumble was recovered by Lion guard Danny Friend. In two plays the ball was on the Oswego eight and from here halfback Doug Stewart plowed into the end zone. Nolte converted again and at the half the score stood St. Helens 14, Oswego 0.

ST. HELENS TOOK the second half kick-off and marched straight to a touchdown. Stewart again made the tally after a pass had brought the ball to the 10, and a line buck to the five. Nolte added his final extra point to make the final score St. Helens 21, Oswego 0.

BOYS' SWIMMING

OSWEGO LAKERS' SWIMMING TEAM of 1956, under the direction of Coach Dick Pizzo, captured second place in the Oregon State champion swimming meet at Corvallis. The Lakers sported a 10-win and no loss record in dual meet competition, and an overall dual meet record in the history of Oswego of 40 wins and no losses.

OUTSTANDING INDIVIDUAL PERFORMERS were Doug Chisholm with 115 points; Russ Hendricks with 111 points; and Ron Bohlman with 94 points.

THE ONLY MEMBER GRADUATING this year was Captain Russ Hendricks. With his inspiration and outstanding swimming, he led the team to victory time and time again.

OSWEGO OPENED ITS SEASON by winning an easy 65 to 31 victory over Beaverton, followed by a win over St. Helens, 64 to 31. The Lakers went on to drown South Salem with a 59 to 36 score, and then moved to the other side of town to pounce on North Salem and swim away with a 76 to 27 win. Still on the move, the Lakers overwhelmed McMinnville with a victory of 66 to 13. Leaving the League teams stunned, the Lakers moved to Parkrose in a non-conference match to win with an easy 91 to 12 score. Coach Pizzo has now led a victorious team for five years.

Standing: C. Sloan, J. Adams, C. Middleton, S. Shaw, J. Hendricks, C. Chisholm, J. Hendricks, M. McCullough, W. Southwell, M. Gagnon, Miss Arnold. *Kneeling:* K. Kisky, L. LaHusen, M. Peterson, M. Munch, L. Larson, J. Gilbert, S. Jones, S. Stageberg, J. Williams.

GIRLS' SWIMMING

THE GIRL'S SWIMMING TEAM in spite of its hard competition plowed through the season with an 8-win and 2-loss record. At the start of the season the team, coached by Miss Arnold, dove straight for the victory pole and was there throughout the league competition. They gave way to the non-league Cleveland high school for their only two losses of the year.

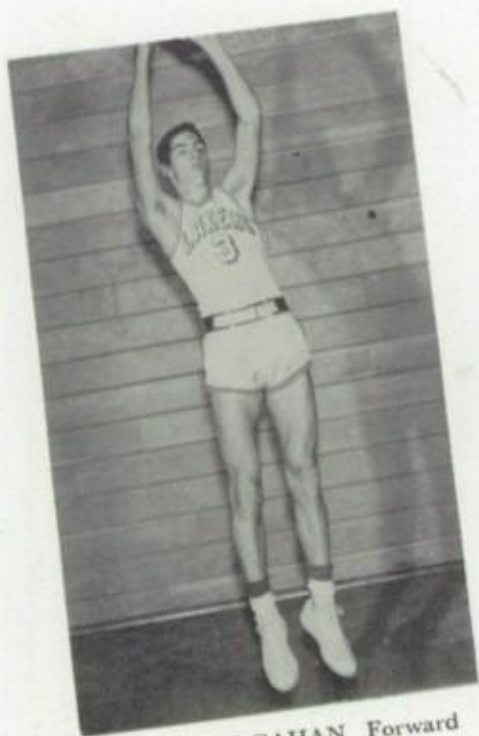

AS THE SEASON came to a close, the Lakers found themselves at the state meet and ended up with 12 gold medals, 5 silver, and 3 bronze for a total of 20 medals, plus a first place in the Junior Division and a second place in the Senior Division.

OUTSTANDING SWIMMERS for the year were placed in this order: high point, most improvement, and good sportsmanship. Jean and Jan Handricks tied for the high points with Wendy Southwell, Karen Kisky, Jan Gilbert, Marilyn Munch and Carol Sloan marked down as the girls who most improved. Good sportsmanship was awarded to Cathy Chisholm, Mary McCullough, Linda LaHussen and Marcia Gagnon.

AT HOME the Lakers met the league champions, McMinnville, for the second time in the season and put up a hard-fought battle. Again Oswego set up its defense to hold off the opposing team and to keep the scoring close. There was no let-down on either side as both teams fought furiously to score and to take the lead. As the game came close to the end, the Lakers tried hard to gain the lead, but the Vikings were too much for them and ended the game as the victors with a score of 69-61. High scorer for the Lakers was Don Nyssen with 20 points, followed by Bill Coats with 14 points and Conrad Sundholm with 13.

EXCITING PLAYS ON THE COURT

Doug McGahan, No. 3; Conrad Sundholm, No. 8; Stu Fors, No. 4.

LAKERS TUMBLED OREGON CITY at Oregon City in their first league game of the season. On the floor, the Lakers in the first quarter moved into an outstanding defense that stopped the on-rushing team from all sides. With the morale high the Lakers moved out in front to hold the lead throughout the game and to win in the last seconds by three points. Don Nyssen held the lead for the Lakers with 13 points. He was closely followed by Bill Coats with 12 points and Stu Fors with nine. The proud victors left the floor with a 39-36 win.

VARSITY BASKETBALL SQUAD

WITH THREE OF THE 1955-56 regulars back to form the nucleus of this season's play, Coach Bob Edwards' hoopsters displayed the same strength and fight that has been with the Lakers for the past seasons. Stu Fors, Don Nyssen, and Bill Coats, all first-string holdovers, teamed with Conrad Sundholm, and Doug McGahan formed the starting five for the majority of the games throughout the season. McGahan moved up to the first string forward position after serving the previous year as a reserve for Stuart Fors. Conrad Sundholm moved to the other forward position to make the fifth of a very powerful team.

ALTHOUGH THE WINS WERE FEW the spirit was always high and the games were exciting to the very end. After many losses in close matches, the Lakers moved into Oregon City in their first League game to walk away as the victors, with a score of 39-36. The next game was a heart-breaker for Oswego since West Linn is our rival team. With the score close for the first three quarters, the Lions moved out ahead in the fourth to take the game 60-43. Still in the process of shaping up, Oswego, on January 29, sparred with St. Helens in a thrilling game that had to be finished in two overtimes. The Lakers fought hard but lost by one point, 47-46. Coach Edwards, new to Oswego this year, had an outstanding defensive and an ever-scoring offensive team to end the season and put many thrilling games into the records.

TRACK MEN

BILL COATS, one of the track team's most important scorers, has come a long way since last year. Bill competes in the pole vault and broad jump and is very outstanding in both these events. His broadjump record is 20 feet and his pole vault record is 11 feet.

CONRAD SUNDHOLM AND KENNY COX are the distance men for the Lakers and run some of the fastest times in the league. Although Conrad is leaving this year for college, Kenny will fill his place and go on for many more wins.

RON SCHWARZ is one of the fastest runners on the team and has gathered many points for the Lakers. He runs the 100-yard dash in 10-4/10 seconds and is gaining speed all the time. Ron also runs in the 880 relay and at Willamette he brought the team to victory in this race.

TRACK TEAM

MR. BOWLES, THE TRACK COACH, worked hard to shape up his team for league competition which started in April. The track team was based around five seniors who were the main point-getters of the season. Bill Coats, Stu Fors, Ron Schwartz, Dave Mason, and Conrad Sundholm, the graduating seniors, tried hard to break the school records.

THIS YEAR'S TEAM had a rough schedule to meet, with teams like Oregon City, West Linn, McMinnville, and Tigard, plus outside meets at Willamette Relays and the State Tournament.

KENNY COX, a sophomore, is a very promising contender for the years to come. Last fall he broke the league record in the cross country meet. Conrad Sundholm was another runner who placed close to the top of the league in the mile run and is a promising record breaker. Stu Fors and Dave Mason were the varsity shot-putters, both putting around 45 feet. They were expected to help the team out by taking first and second-place points in league competition. Bill Coats tried for height in the pole vault, his record was 10 feet and his running ability was outstanding. Ron Schwarz is one of the best runners Oswego has ever seen and is very promising for college.

Top: Mr. Bowles, coach, P. Furrer, A. Lucas, M. Franzwa, J. Fincher, K. Jones, T. Shields, S. Subotnick, D. Santtee, D. Nevious, K. Summers, B. Belenger, B. Lesh. Middle: B. Turchi, M. DeBellis, H. WITH LEAGUE COMPETITION at its best, the baseball team was put into good physical condition. Coach Keiling lined up what seemed to be a very good team this year. He had three very outstanding players back from last year and some of last year's J.V.s that are looking very good. The outstanding players were Don Nyssen, Al Dick and George McCarthy, but the team as a whole also looked good. The lineup was as follows: Kelleher catching, Thye on first, Dornan playing second, with Miller on third and Dick as short-stop. In the outfield is Chandler in right field, McCarthy in center, and Adams playing left field. They also had in the bull pen Don Nyssen, Jay Green, George Adams, and others that held the team in the winning or losing streaks.

RIC MILLER, GARY THYE, DONNY KELLEHER.

KEILING'S LAKERS were fighting a hard schedule this year with teams like: Roosevelt, Wilson, McMinnville, St. Helens, West Linn, Oregon City, Tigard and others.

WILSON ATTACKED THE LAKERS for the first game in the season to put up a hard battle in nine innnigs of play. The game was started with Jay Greene pitching and making his first appearance for the Lakers. Jay is a transfer from the East and is a good prospect for the Lakers for one more year.
